FADE IN:

INT. DILAPIDATED HOUSE - KITCHEN - DAY

Female elf LATIRUS sits on the floor next to a huge bag, eating something unrecognizable from a can while looking at male dwarf HOGWASH sitting at a table full of gear. Alien CIRCLE 71 looks for her own spot as she takes her gear off.

LATIRUS

We are never going to find it.

HOGWASH

If that thing exists, its not going to be on land.

CIRCLE 71

Humans have covered the water.

HOGWASH

Those terrorists messed up an entire planet.

LATIRUS

Titanae checked as well.

HOGWASH

Oh sure one blabbermouth merman has covered all the planets water. Give me a break.

CIRCLE 71

Mermen reach speeds of fifty miles an hour under water

HOGWASH

Well, you can't find something that doesn't exist.

CIRCLE 71

That's what everyone thought about us.

LATIRUS

Where is Titanae?

Hogwash and Circle 71 look around

CIRCLE 71

The disposal room?

LATIRUS

Not this long?

CIRCLE 71  
Hogwash? He was behind you.

HOGWASH  
Well, I can't look out the back of  
my head.

LATIRUS  
And your ears?

HOGWASH  
Now you listen here

A door crashes open. A bald, blue and green man, only wearing pants, comes in carrying an awfully pale, tied up man. He drops him on the table in front of Hogwash.

LATIRUS  
Who is that?

CIRCLE 71  
Is that a blood feeder?

The man GASPS awake. Hogwash HITS him over the head with the club. He's out again.

HOGWASH  
You brought a vampire here? Are you  
insane?

Titanae pulls the vamp's lip up to reveal a mouth without fangs.

TITANAE  
He's a parolee.

HOGWASH  
A criminal! Oh that's comforting.

LATIRUS  
Why?

HOGWASH  
It isn't. I was being sarcastic.

LATIRUS  
Not you! Titanae why?

HOGWASH  
Oh

CIRCLE 71  
Because he is ancient.

TITANAE  
Exactly. He's a runaway.

LATIRUS  
That means he's wanted.

TITANAE  
So are we. I saw him hunting for  
blood and figured

HOGWASH  
Lets catch him? A wanted powerful  
monster who can't die and feeds on  
blood?

CIRCLE 71  
Let him explain

TITANAE  
He is way older than us. He might  
have heard about the Eonite.

LATIRUS  
I can't believe you caught a  
vampire.

CIRCLE 71  
Threatening him will not impress  
him.

TITANAE  
No, but rabbit blood might.

Titanae holds up a jar of blood then hands it to hogwash. Who  
looks at it with disgust.

HOGWASH  
Gross. That is so gross.

CIRCLE 71  
A trade. Ingenious.

LATIRUS  
O my God that's amazing.

TITANAE  
But first I need to pee.

Titanae walks off.

LATIRUS  
Of course

HOGWASH  
 You really have a pea sized  
 bladder!

CIRCLE 71  
 Is that not common?

LATIRUS  
 He means pea the fruit not the  
 urine.

CIRCLE 71  
 Ah humor

LATIRUS  
 No

HOGWASH  
 Peas aren't fruit!

CIRCLE 71  
 They are, since they contain seeds  
 and develop from the ovary of a pea  
 flower.

Hogwash and Latirus stare at Circle 71. Titanae walks back in  
 and looks at Circle 71.

TITANAE  
 The water doesn't work

The vampire GASPS awake

HOGWASH/LATIRUS  
 Aaaah

Titanae grabs the vampire by the neck.

BELTHORP  
 Get your urine stained hands off  
 me.

TITANAE  
 You just woke up.

BELTHORP  
 I can smell it.

Hogwash raises his club.

HOGWASH  
 Tell us! We can kill you over and  
 over again.

BELTHORP

Wow scary. It could be helpful to tell me what you want to know.

TITANAE

How old are you?

.....

TITANAE (CONT'D)

I am forty three.

VAMPIRE

Really? What's your secret?

TITANAE

Well

LATIRUS

He's being sarcastic Titan. (to Belthorp) Look, we'll give you blood for answers.

BELTHORP

Two hundred and fifty six

HOGWASH

This is going to take weeks.

TITANAE

What do you know about the Eonite?

BELTHORP

I have already answered a question but have not received any blood.

CIRCLE 71

He is correct.

LATIRUS

Give him some blood.

HOGWASH

I am not giving anything to the stuck up gum-o-saurus.

Titanae and Latirus laugh. Hogwash joins in too.

CIRCLE 71

Humour?

BELTHORP

Bad taste. I only fed off criminals and I haven't killed in ages.

(MORE)

BELTHORP (CONT'D)

I was tending to my flock when they came, stole my heard and knocked my teeth out without cause or trial.

LATIRUS

Give him some blood.

CIRCLE 71

Since you are scared I will.

Circle takes the jar of blood from Hogwash.

HOGWASH

I am not.

CIRCLE 71

Your chemosignals state otherwise.

BELTHORP

I agree

Circle 71 opens the jar and moves it over Belthorp's head. Belthorp drops his head back and opens his mouth. Circle 71 starts to pour.

A DOOR CLOSES.

Everyone stops and look at latirus when.. a door opens and posh sixty seven year old Mildred comes in with carrying an umbrella and a roll of papers. She SCREAMS when she sees Belthorp with a bloody face surrounded by others. She raises her umbrella.

CIRCLE 71

Cut

MILDRED

You filthy devil worshipers!  
Squatters! This house is not empty.  
I'll call the police!

Mildred looks around (stereo, microwave, coffee machine).

HOGWASH

(female voice)

What are you looking for Millie?

MILDRED

Nothing.

She looks at Hogwash again.

MILDRED (CONT'D)

Agatha?

Hogwash stands up from the table. Little knitted legs dangle off a belt hanging over Agatha's black skirt.

LATIRUS  
O my god mother. Nobody's got a  
microwave stuffed down their pants.

MILDRED  
Louisa?

Everyone stares at a stunned Mildred and embarrassed Louisa.

LATIRUS  
It was raining.

MILDRED  
So you brought the warpers here?

LATIRUS  
Life Action Role Playing mother.  
Larpers.

MILDRED  
Do not give me lip young lady.

The larpers get uncomfortable.

HOGWASH  
I hate humans.

MILDRED  
I do not approve of this Louisa.  
Playing with blood. I am, I am

Hogwash hits mildred with his club. BOING

HOGWASH  
They get stuck sometimes.

All eyebrows raise to a stunned Mildred.

HOGWASH (CONT'D)  
Humanoids. We are trying to save  
the planet here, which is important  
to Louisa. And all of us really.  
You insensitive, decoration  
obsessed, humanoid.

Hogwash winks at Circle 71.

CIRCLE 71  
Are you okay?

HOGWASH  
Humanoid?

MILDRED  
I am

Hogwash raises his club

MILDRED (CONT'D)  
Fine!

Everyone laughs.

HOGWASH  
We are glad you are here humanoid.  
We are looking for a rare rock  
called Eonite that can create a new  
planet for us to live on. Since,  
you know, this one is toast. We  
might need you to

Hogwash looks at Circle 71

CIRCLE 71  
Access your extensive records for  
any useful information?

MILDRED  
Oh, right. I mean (monotone voice)  
I concur.

LATIRUS  
What is your name humanoid?

MILDRED  
Bob

Laughing

MILDRED (CONT'D)  
I will have you know that Bob is an  
abbreviation for bit of bot.

Respect has been earned.

CIRCLE 71  
Alright peeps, game on in three,  
two, one.

BELTHORP  
You suck at pouring, alien.

All laugh

FADE OUT.
